1.Major: Finance – Banking;

Code: 62.34.02.01

2. Full name of the candidate: Le Thi Loi

3. Full name of the scientific instructors:

1. Associate Prof. Dr. Ha Minh Son

2. Dr. Tran Thi Hong Hanh

4. New conclusions of the thesis:

First, the Thesis has clarified the theoretical bases of equity and equity management of commercial banks such as: concepts, objectives, contents, measurement criteria and factors affecting the equity management activities of commercial banks. These are the foundation theories necessary for conducting the research of this topic.

Second, by studying international experience in equity management of some commercial banks, the thesis has drawn several lessons with highly referential value for Vietnamese commercial banks, including MB.

Third, with sufficient, up – to – date and authentic sources of data, the Thesis has analyzed and evaluated the actual situation of equity management at Military Commercial Joint Stock Bank during the period from 2010 to 2015 on the following aspects: scale and effectiveness of capital utilization; modern financial management; capital adequacy ratio. Some contents of the project are analyzed and compared with data from some other commercial banks of Vietnam. Based on this, the thesis has clearly pointed out the achievements, remaining limitations and the causes of such limitations in equity management.

Fourth, in order to enhance the capability of equity management at Military Commercial Joint Stock Bank until 2020 and to resolve the aforementioned limitations; the thesis has proposed systematic solutions to enhance and improve the capability of equity management at Military Commercial Joint Stock Bank in the coming time. These solutions are synchronous, practical, based on scientific foundations and feasible for MB; and furthermore they can be used as good reference for other commercial banks in Vietnam

Fifth, the thesis also suggested some proposals and recommendations to various government agencies and the State Bank of Vietnam in order to accomplish the equity management activities of Military Commercial Joint Stock Bank
